DEMARTIN DENTAL ASSOCIATES, P.C. FINANCIAL AGREEMENT

DeMartin Dental Associates expects payment in full when services are rendered **unless other arrangements are made in advance.** For your convenience, we accept cash, checks, American Express, Discover, MasterCard and Visa. We also offer financing options through a third-party financing institution. Please feel free to discuss billing arrangements with our Business Office. We shall have the right to cancel your privilege to make charges against your account at any time. Future visits would then need to be paid at the time of service. There is a fee (currently $30.00) for any checks returned by the bank. **In cases that require extensive laboratory services or involve long treatment times, a deposit is required.**

INSURANCE: Insurance is a contract between you and your insurance company. We are **NOT** a party to this contract, in most cases. We will bill your primary insurance company as a courtesy to you. Although we may estimate what your insurance company may pay, it is the insurance company that makes the final determination of your eligibility. You agree to pay any portion of the charges not covered by insurance. It is your responsibility to meet any requirements for x-rays or other information mandated by your insurance company for processing purposes. We will provide you with any information necessary for dealing with workman's compensation or personal injury – however you are responsible to pay for treatment at the time it is rendered.

FINANCE/BILLING CHARGE: A finance charge may be imposed on each item of your account which has not been paid within thirty (30) days of the time the service was rendered. The FINANCE CHARGE will be computed at the rate of one and one-quarter percent (1 1/4%) per month or an ANNUAL PERCENTAGE RATE of fifteen (15%) percent. The finance charge on your account is computed by applying the periodic rate (1 1/4%) to the "overdue balance" of your account. The "overdue balance" of your account is calculated by taking the balance owed thirty (30) days ago, and then subtracting any payments or credits applied to the account during that time. The minimum Finance Charge is $1.00. If the account balance remains outstanding after 90 days, a billing charge of $50 may be applied to the account on a monthly basis.

MISSED APPOINTMENT FEE: Patients may be charged a **fee of $100 for a missed appointment** if not cancelled at least 24 hours in advance.

COLLECTION AND WAIVER OF CONFIDENTIALITY: If your account becomes past due, we will take necessary steps to collect this debt. If we have to refer your account to a collection agency/lawyer, you agree to pay **all** of the collection costs which are incurred. You understand if this account is submitted to any attorney or collection agency, or if your past due status is reported to a credit reporting agency, the fact that you received treatment at our office may become a matter of public record.

DIVORCE INVOLVING A MINOR: In case of divorce or separation, the party responsible for the account prior to the divorce or separation remains responsible for the account. After a divorce or separation, the parent authorizing treatment for a child will be the parent responsible for those subsequent charges. If the divorce decree requires the other parent to pay all or part of the treatment costs, it is the authorizing parent's responsibility to collect from the other parent.
